

DESAIN

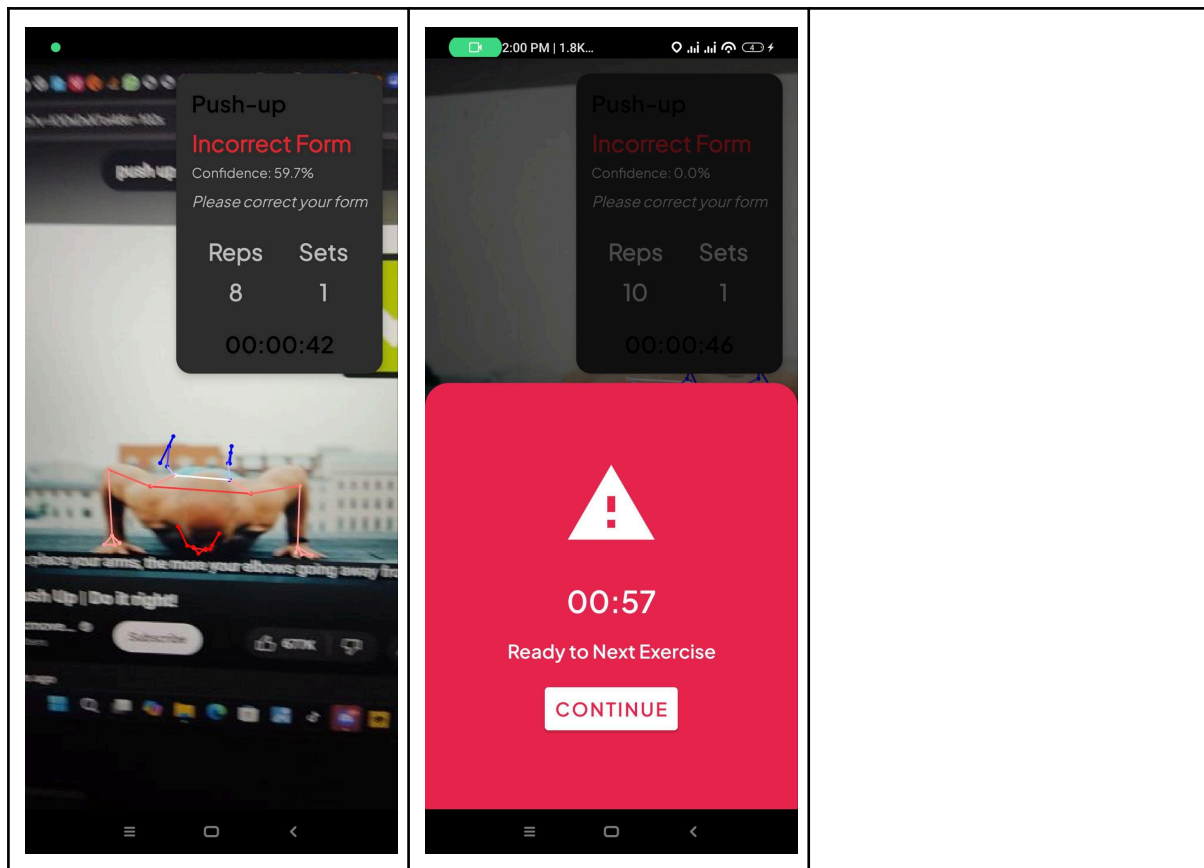

Dalam pembuatan UI dan UX Penulis tidak membuat desainnya terlebih dahulu akan tetapi diimplementasikan di Android Studio tetapi penulis langsung menerapkannya ke dalam *xml* untuk menghemat waktu untuk dokumentasi lengkap 43 layout *xml* yang sudah dibuat. Referensi aplikasi yang digunakan untuk membuat desain ini adalah Mi Fitness, Huawei Health dan Strava. Berikut hasil *screenshot* layout didalam aplikasi:

Berikut hasil *screenshot* pembuatan desain layout menggunakan *xml* di Android Studio:
